

Dear Least Likely To Browse List:

The term deer resistant is used loosely and the following should be used as a guide when considering plants for areas with a heavy deer population. There are no guarantees that deer will not "taste" or eat these plants. The input from several local professional horticulturalists and plant growers along the Coastal South Georgia allowed us to compile this list of plants that they believe are the some of the best choices from their past experineces.

Ornamental Grasses		Vines & Ground Covers	
Common	Scientific	Common	Scientific
Fakahatchee Grass	<i>Tripasum dactyloides</i>	Ajuga/Bugleweed	<i>Ajuga reptans</i>
Inland Sea Oats	<i>Chasmanthium latifolium</i>	Ardesia	<i>Ardesia japonica</i>
Maiden Grass	<i>Miscanthus sinensis</i>	Cape Honeysuckle	<i>Tecomaria capensis</i>
Muhley Grass	<i>Muhlenbergia capillaris</i>	Carolina Jasmine	<i>Gelsemium sempervirens</i>
Pampas Grass	<i>Cortaderia selloana</i>	Cephalotaxus	<i>Cephalotaxus prostrata</i>
Purple Fountain Grass	<i>Pennisetum setaceum</i>	Junipers	<i>Juniperus spp.</i>
Saltmeadow Cord Grass	<i>Spartina patens</i>	Powder Puff Mimosa	<i>Mimosa strigillosa</i>
Switch Grass	<i>Pennisetum spp.</i>	Rosemary	<i>Rosemary prostrata</i>
		Thyme (creeping)	<i>Thymus praecox</i>
		Wire Vine	<i>Muhlenbeckia axillaris</i>

Annuals		Annuals	
Common	Scientific	Common	Scientific
Calendula/Pot Marigold	<i>Calendula officinalis</i>	Plectranthus	<i>Plectranthus spp.</i>
Cockscomb	<i>Celosia spp.</i>	Salvia	<i>Salvia spp.</i>
Dusty Miller	<i>Centaurea cineraria</i>	Scarlet sage	<i>Salvia coccinea</i>
Fan Flower	<i>Scaevola aemula</i>	Spider Flower	<i>Cleome hasslerana</i>
Lantana (most)	<i>Lanta camara</i>	Summer Snapdragon	<i>Angelonia angustifolia</i>
Marigolds	<i>Tagetes spp.</i>	Sweedish Ivy	<i>Plectrantus verticillatus</i>
Melampodium	<i>Melampodium paludosum</i>	Sweet Alyssum	<i>Lobularia maritima</i>
Periwinkles	<i>Catharanthus roseus</i>		

Trees		Trees	
Common	Scientific	Common	Scientific
Black Gum	<i>Nyssa sylvatica</i>	Loblolly Bay	<i>Gordonia lasianthus</i>
Bottlebrush	<i>Callistemon spp.</i>	Loquat	<i>Eriobotrya japonica</i>
Cherry Laurel	<i>Prunus angustifolia</i>	Maidenhair Tree	<i>Ginkgo biloba</i>
Chicksaw Plum	<i>Prunus caroliniana</i>	Mimosa	<i>Albizia spp.</i>
Crape Myrtle	<i>Lagerstoemia lucidum</i>	Olive	<i>Olea europeae</i>
Dahoon Holly	<i>Ilex cassine</i>	Palms	Asst.
Dawn Redwood	<i>Metasequoia gytostroboides</i>	Persimmon	<i>Diospyros virginiana</i>
Deodar Cedar	<i>Cedrus deodara</i>	Pines	<i>Pinus spp.</i>
Dogwood	<i>Cornus spp.</i>	Red Maple	<i>Acer rubrum</i>
Eastern Red Cedar	<i>Juniperus virginiana</i>	River Birch	<i>Betula nigra</i>
Elms	<i>Ulmus spp.</i>	Saucer Magnolia	<i>Magnolia x soulangiana</i>
Eucalyptus	<i>Eucalyptus spp.</i>	Sweetbay Magnolia	<i>Magnolia virginiana</i>
Golden Rain Tree	<i>Koelreuteria paniculata & elegans</i>	Sweetgum	<i>Liquidambar styraciflua</i>
Japanese Maple	<i>Acer palmatum</i>	Willow	<i>Salix Spp.</i>
Lacebark Elm	<i>Ulmus parvifolia</i>	Windmill Palm	<i>Trachycarpus fortunei</i>
Leyland Cypress	<i>Cupressocyparis leylandi</i>		

Shrubs		Shrubs	
Common	Scientific	Common	Scientific
Abelia	<i>Abelia spp.</i>	European Fan Palm	<i>Chamaerops humulis</i>
Adam's Needle	<i>Yucca filamentosa</i>	Gardenia	<i>Gardenia agusta & jasminoides</i>
American Beautybush	<i>Callicarp americanus</i>	Japanese Laurel	<i>Acuba japonica</i>
Anise (Red)	<i>Illicum floridanum</i>	Leucothoe	<i>Leucothe spp.</i>
Anise (yellow)	<i>illicum parviflorum</i>	Nandina	<i>Nandina domestica</i>
Banana Shrub	<i>Michelia spp.</i>	Native Azaleas	<i>Rhododendron spp.</i>
Bottlebrush Buckeye	<i>Aesculus parviflorum</i>	Needle Palm	<i>Rhapidopyllum hystrix</i>
Boxwood	<i>Buxus spp.</i>	Oleander Nerium	<i>Oleander spp.</i>
Century Plant	<i>Agave spp.</i>	Oregon Grape	<i>Mahonia spp.</i>
Daphne	<i>Daphne odora</i>	Osmanthus	<i>Osmanthus spp.</i>
Elegans	<i>Eleganus pungens</i>	Spanish Dagger	<i>Yucca gloriosa</i>
Esperanza	<i>Tecoma stans</i>	Thryallis	<i>Galphinia glauca</i>

Shrubs		Shrubs	
Common	Scientific	Pineapple Guava	<i>Fejioa sellowina</i>
Viburnum (most)	<i>Viburnum (but not Mrs. Schillers)</i>	Rosemary	<i>Rosmarinus officinalis</i>
Wax Myrtle	<i>Myrica cerifera</i>	Serissa	<i>Serissa foedia</i>
Yaupon Holly	<i>Ilex vomitoria</i>	Spanish Bayonet	<i>Yucca aloifolia</i>
Perennials & Bulbs		Perennials & Bulbs	
Common	Scientific	Common	Scientific
Allium	<i>Allium spp.</i>	Lavender	<i>Ligularia spp.</i>
Aloe	<i>Aloe vera</i>	Mallow Hibiscus	<i>Hibiscus moscheutos</i>
Bulbine	<i>Bulbine bulbosa</i>	Marguerite	<i>Chrysanthemum frutescens</i>
Butterfly Bush	<i>Buddleia spp.</i>	Mexican Bush Sage	<i>Salvia leucantha</i>
Cactus/Succulents	<i>Assorted spp.</i>	Mexican Hat	<i>Ratibida columnifera</i>
Canna	<i>Canna x generalis</i>	Mexican Mint Marigold	<i>Tagetes lucida</i>
Catmint	<i>Nepeta spp.</i>	Mint	<i>Mentha spp.</i>
Cordylines	<i>Cordyline fruticosa</i>	Mum Chrysanthemum	<i>Chrysanthemum spp.</i>
Crocoshmia	<i>Crocoshmia spp.</i>	Oxeye Daisy	<i>Chrysanthemum leucanthemum</i>
Daffodils/Narcissus	<i>Narcissus spp.</i>	Perennial Sunflower	<i>Helianthus spp.</i>
Copper Canyon Daisy	<i>Tagetes lemonii</i>	Periwinkle	<i>Vinca spp.</i>
Ferns (most)	<i>Assorted spp.</i>	Prickly Pear	<i>Optunia spp.</i>
Holly Fern	<i>Cyrtomium falcatum</i>	Purple Coneflower	<i>Echinacea purpurea</i>
For O'clock	<i>Mirabilis jalapa</i>	Rosemary	<i>Rosmarinus offinalis</i>
Goldenrod	<i>Solidago spp.</i>	Russian Sage	<i>Perovskia atriplicifolia</i>
Hens and Chicks	<i>Sempervivum spp.</i>	Salvia	<i>Salvia spp.</i>
Iris- African	<i>Dietes iridoides</i>	Society Garlic	<i>Tulbaghia violacea</i>
Iris- Lousiana	<i>Iris fulva</i>	Spiderwort	<i>Tradescantia spp.</i>
Ivy	<i>Hedera spp.</i>	Split Leaf Philodendron	<i>Philodendron selloum</i>
Lantana	<i>Lantana spp.</i>	Yarrow	<i>Achillea filipedulina</i>
